### THE ARCHI INTRODUCES HAROLD LESLIE PARR

#### A Short Story About Our Newly Elected W. G. E.

Here with *The Archi* wishes to introduce to the Fraternity the W. G. E. elect, Bro. Harold Leslie Parr, Antheios '21. Brother Parr was a native of Illinois until finishing his A. E. work at the U. of I., moved to Michigan, where he now lives in Kalamazoo. He is not married—yet.

Our new W. G. E. was born in Peoria, Jan. 6, 1901, graduated from the Champaign H. S. in 1917, entering the University that fall and completing his work there in June, 1921, with preliminary and final honors. Before leaving school he was elected to Tau Beta Pi and Sigma Tau.

Following his graduation he worked with A. W. Stoolman, Champaign contractor, on a project in Terra Haute, Ind. Next he was employed as an assistant on investigation of Stresses in R. R. track for Prof. Talbot of Illinois. This was a joint project of a number of engineering societies and Harold had to do with getting out their third and fourth reports. This connection occupied him until Jan. 1, 1924.

#### Resident Superintendent Now

At this time he went with the Consumers Power of Jackson, Mich., as a designer. The concern was taken over by the Commonwealth Power Corp. and he has been with them ever since in both inside and outside construction capacities.

In planning he has supervised work on the Elm St. steam plant at Battle Creek, Hales Bar steam plant at Chattanooga, Tenn., and the First Ave. steam plant at Nashville, Tenn.

Brother Parr has served as resident architectural engineer on the above mentioned Elm St. plant, the Capitol Ave. plant at Springfield, Ill., and is now in charge of a new two and a quarter million dollar steam plant at Kalamazoo.

In writing *The Archi* recently Brother Parr said, "I consider it a very high privilege and honor to have been elected W. G. E. of Alpha Rho Chi. I shall accept the trust placed in me by the brothers in good faith and bend my best energies toward continuing the work which has in the past been handled so excellently by Bro. T. J. Strong."

## From The Editor's Mail Box

Whercin We Recount Things and Thoughts  
Which Come To Our Attention.

Well, gentlemen, here is another issue of *The Archi*. For some time we have been sending out questionnaires to the boys whose sheets in "the big books" are not entirely complete. When these sheets come in they often tell many things; for example, that this chap has a new wife (usually his first of course) or that this couple has entertained the stork, and so on.

One of the trails recently revealed that Norman R. Moore, Mnes. '25, who departed the ways of architecture for

the more "lucrative" profession of General Contractor is Chas. M. Smith, Ikt. '13, one of the charter members of Sigma Upsilon. It was four years ago Jan. 16 that Chuck entered life's partnership with Miss Myra Ruth McCready. Although originally hailing from Lewiston, Mont., Brother Smith now calls Thermopolis, Wyo., his home.

#### Big Book Solves Case

Herman E. Berghult, Mnes. Ex '23, who resided for a time in Hinsdale, has moved into Chicago. Bergie is still single and has charge of rentals for the Conway building, Chicago. Herman followed the same line in Duluth, his home town.

How many of you Ohio State men know that Ernst Budke is a member of the firm of Eastman & Budke, Fairbanks building, Springfield, Ohio? "Bud" did special work at Ohio State, withdrawing in '22. Yep, he's married, was Sept. 4, 1924, to Miss May Ehrhart. He's a member of the "40 and 8" and the Legion.

The Big Book proved its worth again recently. A chap out in the town of Beverly Hills wrote advising he had moved and gave his new address as 806 Roxbury Drive and then didn't sign his name. However as he gave his old address; Alfred Dills Baker, Life Subscriber will get this issue of *The Archi*, thanks to the Big Book.

#### Townes In Virginia

While California is in our thoughts and Tennessee and such warm places it reminds us that our friend and recent Associate Editor, "Sweet William" Townes, Mnes. '26, is now in Virginia, Minnesota. It was some 28 below when he hit there.

Bill is now with E. H. Berg, Eveleth architect, and is teamed with Paul Damberger, Mnes. '22, on a new \$750,000 Junior High project. Two other Minnesota men, Macomber and Deneen, are also in the office. The latter two however are not A P X men. Enroute north Bill stopped in Chicago long enough to see Hammett, Wicklund, Kronick and "Rosie." Ham and Wick are Arochi men.

But to jump to New York City. Received a long looked for line from Geo. E. Bulford, '21, the other day. For five

years George was with Richards, McCarthy & Bulford at Columbus and then left for N. Y. C. After a time with R. A. Tappan & Forest Hills he lined up in Brother Cass Gilbert's office and counts himself fortunate. Yes, George is married. Miss Frances Mills, Jan. 1, 1924.

#### Lovejoy On the Stage

Another lad who is in New York is Herman W. Lovejoy, Dem. Ex '23. Last we heard from him he was in Los Angeles drafting. Now he is a student in the Theatre Guild School of Acting and is appearing nightly in current guild productions. "Lovey" has the good wishes of the fraternity in his venture into a kindred art.

It's quite a jump from N. Y. C. to Donald, Wash., but the next word was from "Gus" Townsend, Mnes. Ex. '20, who is a fruit grower out west. Marion J., for that is his real name, advises that they had a son last Feb. 9, 1926, Maurice is the lad's name. His sister Mildred was born Sept. 10, 1921. Both Gus and his wife (nee Marie Karlen) originated at Pine Island, Minn., where they were married Dec. 15, 1920.

We were also glad to hear recently from the marooned "arkitek" Ed. Molander and his good little wife out in Minot, "Nordakota." Edwin is in a partnership, Bugenhagen & Molander. Ed wrote, "I'm head over heels in work and more of it coming. This is a "bloomin" hard-boiled western town that I'm located in and fast growing too! I don't very often get to "Mple." to stomp about with the gang, so miss them a lot." Ed.

is Mnes. '25 and married Maye Boynton of Minneapolis June 29th last.

#### Van Keppel in Kansas City

Remember how in the last issue we told you how, once we got to a man with whom we have been out of mail contact for years he invariably was so tickled to get lined up that he subscribed for *The Archi*. Well for about three years we have been carrying Gerald W. Van Keppel in the "Who Knows" list. We recently heard from "Jerry," Ikt. Ex '20, who is in the construction machinery business in Kansas City. He writes:

"Have two daughters, Elizabeth (born May 29, 1923) and Helen Ann (Nov. 11, 1925); one good wife, Elizabeth Engelhart, whom I married Oct. 6, 1921, and no sons; a good machinery business with small annual profits, an automobile, a home and no illusions. Enter my name for *The Archi* and when any of the boys come to K. C., come in to say hello at least."

Previously the last we had heard of "Jerry" he was with Continental Motors, but he is now on his own and has his own, including his home. Good luck and good wishes, old man. "Jerry's" business address is 2045 Main, if you are in K. C., or look in the phone book. (See new addresses.)

#### Heat In California

Another Michigander we recently heard from was Walter E. Campbell Ex '20, who is now a heating engineer in South Pasadena. "We have moved to the sunny climate of California and wish you would send *The Archi* to us." Walt,

how can a heating engineer make a living in California? Didn't know heat was required? Most unusual!

"I have met Orrin Stone, '20; "Stan" Underwood, old Sigma U; and "Bob" Ainsworth, '22, in Pasadena and Los Angeles. Underwood has just completed the plans for a mammoth hotel at Yosemite National park. Ainsworth is in Pasadena, and I have seen his name on many fine residence jobs. Stone is with Neff, a prominent local architect."

A message from J. Ray Corwin, Mnes. 'Ex '23, brings tidings that in addition to himself, Jack Witherspoon and "Bill" Edwards are with Ellerbe & Company, St. Paul architects. At one time Ellerbe's was the hangout of the three Ed's, Buenger, Larson and the late Ed John.

#### Texas Takes to Thriving

One of the Texas charter members dropped us a line the other day, Cameron D. Fairchild, Ex '24, and the old boy is in business for himself in Houston. C. D. was married to Miss Helen Tarkington, Aug. 28, 1924, and little Helen arrived Nov. 29, 1925. Congratulations, brother, keep the tee-square busy. Oh yes, Cameron is also a Phi Delt.

Speaking of the Lone Star state, a recent letter from the W. G. A. related: "Malcolm Simons, Ikt. '14, is at the head of a new Texas Alumni chapter which may or may not have effected a permanent organization by this time. Bro. "Cas" Barnes, Anth. '26, at Indianapolis, is planning to organize an Indianapolis Chapter also." Brother Ely also advises that John Franklin Kennedy, Dem. '21, is the new A. A. of the Columbus alumni chapter and Marion F. Ross, Dem. '23, is again A. S.

One of the Anthemios, Milo Janes, Ex '24, is now at Northfield, Minnesota, supervising the construction of a stadium and two dormitories for Carleton college. He is accompanied by his good wife, formerly Miss Virginia Jean Blake, whom he married June 16, 1926. Milo just crashed thru with a Life Subscription. Atta boy.

#### These Men Have Incentives

Another chap who has sought new pastures is "Bob" Potter, Mnes '26, Fargo, N. D., who is now in the same office as Walt Kendall, Mnes, '25, that of Dick & Bauer, Milwaukee architects. Yep Brother Robert left his pin behind in the care of Miss Mildred Fossum of Fargo.

It was a year ago Feb. 25 that Harold A. Via, Ex '26, surprised (?) the gang and married Miss Louise Ashby Leachman. Harold is still in Charlottesville, in connection with Via Bros. contractors. Harold is a member of Delta Sigma Phi.

Another mail brought word from Merrill W. Baird, Andr. Ex '27, an architectural draftsman at present not working, to the effect that he is not yet married, but that it "won't be long now." How come? Who is she? The young man was formerly a member of the firm of "Merrill & Merrill, Inc." whose specialty was "monkey business."

**DEMETRIOS—OHIO STATE**

W. S. Gould, Correspondent

The first dance of the quarter was held at the house January 14, with Mother Ullery and "Judge" and Mrs. Hughs as chaperones. A week later the Architects Club staged its annual Beaux Arts ball in Brown Hall. Costumes followed the Apache pattern and a lively spirit prevailed.

We are glad to see the alumni getting under way again. They held a meeting at the house Feb. 2 and we hope they maintain their pep thru the year.

Chapter officers recently elected are Carl E. Kuck, W. A.; Howard E. LaFevre, W. A. A.; R. M. Sterrett, W. S.; C. Russell Dole, W. E.; F. E. Dickerson, W. C.; W. R. King, Steward; R. M. Leeco, House Mgr.; and Lerpy Stanley, W. Supt.

Bro. Gullette, Ex '27, has lined up with Morris T. Baker, Minneapolis, recently.

Kilpatrick of Crooning Cowboy fame is knocking 'em cold at the Flame room. The manager reports a hundred per cent increase since "Port" has been warbling.

Brother Church, Minnesota's best bet on the 'rassing team, is throwing a 1000 per cent average. He won his last match with a time advantage of 8½ minutes. His opponent spent the other minute and a half climbing thru the ropes.

**KALLIKRATES—VIRGINIA**

Ralph Little, Correspondent

We are concentrating on the second annual Beaux Arts ball to be given Mar. 25. The theme is "An Argentine Fiesta" and the decorations will be in charge of Brother V. Navarro, Panama City. "Quico" Carral, Mexico City, is also an authority on Spanish decoration.

Brothers Carral and Navarro are the recipients of our congratulations for their awards on the archiologv project, "A Mayan Temple." Navarro drew a second medal and Carral a first mention.

February 1st opened the second semester. The only one to leave school was

Curtis Chambers, who will be sadly missed.

Another honor has been bestowed on a brother of A P X. Brother Connell recently won the competition for the best Trojan sticker and a cash prize with it. That's sure hard to take.

At a recent Alumni meeting the question of a new house was discussed. The Alumni also agreed to sponsor the Founder Day banquet, April 11th, at a place to be announced.

**DINOCRATES—TEXAS**

J. Roy White, Correspondent

We are very proud of our Brothers Jessen, Mebane and Olson, bid Tau Beta Pi. It's surprising how Bubi and Mike can be so wild and woolly with the wimmen, and yet stay right at the top. As for Oley—well, he's Swedish, so they say, and he can do just about anything that he wants to.

The Department will be in its new quarters March 2nd. The renovation of the three upper floors of Brackenridge Hall has almost been completed.

We are making plans for a real honest-to-goodness get-together banquet to be held before long for the Alumni and pledges. Brothers Murchison and Mills are supposed to show us what a good time they can provide for.

Brother "Twit" Murchison and "Mike" Mebane are scheduled to win for the Engineering School in the forthcoming handball tournament, but that doesn't mean anything.

Five of our men who are blowers in an organization known as the band, are making a twelve-day tour of Oklahoma, from Feb. 20th to March 2nd.
