LOYE SENDS MORE NEWS OF FATALITY

Most Intimate Friends Discount Mildner Suicide Theory.

As was briefly chronicled in the March issue of *The Archi*, at press time we had just received meager information relative to the fatality which overtook Bro. Eric C. Mildner, Iktinos '23, on Feb. 18th. Feeling the Iktinos brothers would wish to know more of the details we wired Edwin M. Loye, Mnes. '20, who resides in Mt. Vernon, N. Y., to secure all the information possible.

Brother Loye mailed us a transcript of the record of the Mt. Vernon police department for Feb. 18th, in which the details of finding the body of a man about 600 feet from the Chester Heights station of the Boston-Westchester railroad and of the identification of the decapitated remains as our late brother.

The identification was made by means of membership cards in the Michigan Union, Detroit Yacht Club, auto license cards and hotel keys. Foul play as a motive was discounted as there was over forty dollars in his clothes, and the police dismissal of the case as suicide is given no credence by Iktinos Brothers Howard H. Battin '21, and Kenneth C. Black '25.

Battin Had No Hint

A note from Bro. Battin to your editor reads in part: "I find that I have very little to say, we lived together last summer on Long Island and we saw each other every day after moving into town last fall, in short we were very intimate, and in all that time nothing was said that in any way accounts for what has happened. It has been a great shock to me and all of his friends, the more so because no answer to the mystery surrounding the case. We friends do not accept the suicide theory."

Bro. Battin advised that Bro. Mildner was expected to attend a dinner party at the Shelton Hotel, where they both lived, that evening, and his failure to appear caused comment. This coupled with the fact that he had been supervising construction on a house in Westchester county leads one to believe that death overtook him accidentally while pacing on the track awaiting a train to the city, even though the police theory is not in accord with that of his friends and brothers.

The late Brother Mildner graduated from Michigan in '23. Shortly after

Which Come To Our Attention.

Since "Lindy" hopped from New York to Paris it is not a long jump from Minnesota to Texas. But that is where "Chet" Wright, Dino. '23, is living and working. Two years after graduation he married Miss Mildred L. Brooks and they reside in El Paso, where Chester is a supervising engineer for R. E. McKee, El Paso general contractor. Temporarily the old boy is on a job in Albuquerque, N. M.

Wright is a Tau Sig man as is Milton L. Anderson, Mnes. '21, who we recently were advised is manager of the John M. Cooper Co., Oakland-San Francisco office. The Cooper concern are architects and contractors. Milt and his wife have moved from Los Angeles to Oakland.

Speaking of moving Alfred R. Naser, Ikt. '23, since he finished school has been about the prize man for frequent changes of address. But they have meant advancement. Right now Al is working out of Pittsburgh for a Cleveland manufacturer of steel partitions, the E. F. Hauserman Co. His residence is now Wilkensburg, Pa. (See directory.)

Errors eventually show up, all "arkitekts" know that. Well the printer does too, and the proof-reader didn't catch this one. Chas. L. Ritts, Anthemios '16, is still stamping around his old pasture, Burlington, Iowa, where everything is lovely. In other words he is not in Detroit as the last issue of the directory would seem to indicate. Thanks Charley for calling it to our attention.

Taylor Hits California

"It made us feel very happy to have a large number of steamer letters when we landed at San Francisco. Our plans are quite indefinite. In the meantime we

graduating he worked for the firm of McKim, Mead & White and also for Cass Gilbert. At the time of his death he was employed by Frederick L. Ackerman, another New York architect.

Brother Eric was faithful to his duties to Alpha Rho Chi and we are glad his brothers keep faith with his memory. We are sorry to have lost this friend and brother whose folks are Detroit people.

have been visiting with relatives here in Pasadena and San Bernardino. Our present plans are that we shall not travel East together, as I must go on to a job waiting for me in New York, and Mrs. Taylor will stay here for a longer visit with relatives.

"I have been down to visit the Andronicus chapter at U. S. C. and they have welcomed me most fraternally. If I am here until June 11 I may be present at their initiation of an honorary. I am glad to see the fraternity grow to include such schools and such men as at U. S. C. But it seems to be just the right size now, and we can feel that we know each other.

"Our plans are quite indefinite, especially in regard to China, for reasons and circumstances beyond our control. We are indeed glad to be home, and consider ourselves very fortunate in many ways. I do hope that we can be together sooner or later. When the Fraternity is rich, some day, we shall have to have a fund for travel expenses to bring wives along to conventions."

—Walter A. Taylor, Dem. '21.

IKTINOS—MICHIGAN

Edw. C. Cummings, Correspondent

Iktinos chapter elected the following officers for the coming semester: Harold Philpott, W. A.; Stanley Podbielniak, W. A. A.; Junior Rouse, W. C.; George Foulks, W. S.; Harper Fowley, W. S.; Roy Peterson, W. E.; and Sheldon Ely, Steward. Edward C. Cummings

alias "Buster" was appointed the new Archi correspondent.

Our "Fathers' Day" was held the week end of May 19th. Due to the rainy weather, only a few fathers came down. But the rain "came down."

The Architectural Society held its annual May Party on May 7. This party was a costume ball, with elaborate decorations and costumes designed to suit the decoration scheme. This year's party depicted an "Elves Garden Revel." By the gross exaggeration in scale of flowers, mushrooms, and plants painted on the walls of Barbour Gymnasium, the dancers appeared dwarfed in a huge fairy garden. As Timothy Hay, a campus humorist put it, "The Architects tried to make themselves out big by making all the guests of their party seem small." Iktinos chapter was well represented on the committees in charge.

Brother Harold Philpott '28, newly elected W. A., was elected vice-president to the Michigan Union from the Colleges of Engineering and Architecture, by a large majority.

This is the first major office to be held by a member of Iktinos chapter, or by a student in the College of Architecture. Brother Philpott attributes much of his success to the work of Brother Karl H. Kuhn '27, his campaign manager and political boss of Iktinos chapter for the last three years. However the general opinion of the chapter is that Brother Philpott won because of his popularity on the entire campus.

DEMETRIOS—OHIO STATE

"Bill" Gould, Correspondent

On Saturday night, May 7, the Pledges threw, for the Actives, the best dance that has been held in the house this year. The "Hard Times" spirit prevailed in costume and revelry and, what, with Bob Leece handing out free gin(gerale) over a good old-fashioned bar, the atmosphere was complete.

The party was well chaperoned by Mother Ulery and, listen in close on this fellows, we caught her visiting the bar at intervals during the evening.

Officers for the coming year were elected in the regular business meeting May 9, the following men being chosen for offices: Howard E. LeFevre will succeed Carl Kuck as W. A., Harold Summersett succeeds LeFevre as W. A. A., "Bill" Gould is W. C., Robert M. Heichel W. S.; Kenner G. Smith, W. E.; Jack Coady, Supt.; L. L. Stanley, Senior Member of the Board of Directors, and Don Rice, House Manager.

The chapter has enjoyed a very successful and active year under the leadership of the old officers, and the business of the Fraternity will be turned over to the newly-elected officers in ship-shape condition. We feel that these efforts on the part of the out-going officers and the ability of the new men give a very promising outlook on the ensuing year.

Demetrios chapter will feel a heavy loss in the graduation of Brothers Kuck,

Dole and Dickerson this June. They have all given their best to the chapter during their active membership, and we hope that they will continue their interest and efforts as they enter the Alumni organization.

MNESICLE—MINNESOTA

Lye C. Nelson, Correspondent

Bros. Edwards and Ingemann took first and third prizes respectively of \$300 and \$100 in a competition for the design of a concrete masonry house offered by the St. Paul *Daily News*. Dorothy Brink, a graduate from the department two years ago, took second prize of \$200.

Grossman, Townes and Brenner are hanging their hats in the house now.

Mnesicles finally received word that they had placed third in the Big Ten Bowling match of last winter. We'll get the cup next year!

The spring election of officers took place April 25. The new officers are: W. A., J. M. Ramey; W. A. A., P. W. Jones; W. C., H. L. Dower; W. S., L. C. Nelson; W. E., L. W. Santo; W. Supt., D. Boyce; House Manager, G. W. Shiflett, and W. A. E., Stowell Leach.

The date of the Mnesicles Spring Formal has been set for the 3rd of June, and is to be held at Radisson Inn on Christmas Lake. All alumni are urged to come and enjoy themselves for an entire day at the Inn.

"Bab" Davidson, Ex '20, and Ralph Hammett '19 looked in on us recently.

A banquet for the new initiates was held Saturday, April 30, immediately after the initiation. Bro. Backstrom was toastmaster. Bro. Shiflett spoke for the actives and Jerry Wunderlich responded for the new initiates. Prof. Burton gave a short talk asking the chapter for support in putting over the University's outdoor opera, *Carmen*, which is to be staged June 11.

Kilpatrick, Leach and Bayliss and Pledge-Bro. Doneghy disported themselves with the Arabs in their musical comedy success, "Broadcast," which was produced on April 22 and 23.

The alumni thronged to the chapter house for the annual Founders' Day Banquet on April 11. Informality was the keynote of the occasion.

Mothers' Day at the University, Saturday, May 7th, was observed at the house with a luncheon at which House-Mother Foster acted as hostess. Several of the fellows had their mothers as guests.

Sid Stolte took part in the National Collegiate Players production of "He Who Gets Slapped." He is now rehearsing his part in the opera, *Carmen*.

Brothers Flegal and Stolte should feel chesty beneath pledge pins of Tau Sigma Delta, honorary architectural fraternity.

KALLIKRATES—VIRGINIA

L. L. Scribner, Correspondent

Kallikrates wishes to announce the election of the following officers: Ralph

Little, W. A.; Louis Ballou, W. A. A.; Francis P. Carral, W. C.; Paul C. Edmunds, W. E.; Louie L. Scribner, W. S., and Fred Lupton, W. Supt.

Dean Campbell, of the Beaux Arts Institute of New York, was a visitor of Prof. Bro. Kocker last week. An exhibition of water colors by Dean Campbell was given in Fayweather Hall.

The Spring "Shag" of Kallikrates was given in the form of a "Tramp Party" on Friday, May 13. No one was superstitious and the dance went off fine. A prize was given for the worst costume.

Balboa Beach, the week end of May 27th, was the scene of another successful Alpha Rho Chi social event. The annual beach party always assures a good time for all.

An exchange banquet dinner was held on Monday evening, May 9th, with the Phi Mu. A procession of Phi Mu girls and Alpha Rho Chi men was seen at six o'clock crossing the street. The upper-class men were guests of the Phi Mu, while Alpha Rho Chi lower-class men were hosts to the Phi Mu lower-class women. After dinner all united in the Phi Mu House, where dancing was enjoyed. Everyone reported a successful get together. The party broke up by the calling of meeting by the leaders of the two organizations. This neighborly party is the means of further fellowship with the other organizations of the campus.

Brother Al Mendell has again desired the presence of the brothers at his parents' beautiful home. Saturday night, May 14th, all roads for Alpha Rho Chi led up the hill to Brother Mendell's home.

Saturday, May 7th, marked our recent initiation of seven new members. Our chapter is fast becoming a large family and more prominent than ever as the days pass.

Election of new officers for the ensuing term was held. Our present Worthy Architect Loren Patrick soon stands aside, having successfully completed his term of office. You have been a wonderful leader Pat and we sure hate to see you go. The new officers are as follows: Frederick Hageman, W. A.; Raymond Geiger, W. A. A.; David Bond, W. E.; Charles Brown, W. S.; George Thomas III, W. C., and Lee Ellis, H. M.

With the leadership of Brother Hageman the chapter is sure to continue in the upward path that Brother Patrick has succeeded to maintain during the past year. We are all for you, Fred, and we are going to co-operate with you. Alpha Rho Chi reports a very successful year socially as well as fraternally now that the year is about at a close.

DINOCRATES—TEXAS

J. Roy White, Correspondent

Our Founders' Day Banquet turned out to be the proverbial "huge success,"

even if we do say it ourselves. Faculty and alumni members and pledges were entertained by the actives, and "a good time was had by all"—surprisingly. "Papa" Carl was a wang as toastmaster. When you see him make him tell you the one about Antony and Cleopatra. It's supposed to be a joke. Most prominent among our speakers was Gutzon Borglum. We were very fortunate in having Mr. Borglum with us for a short while, and in hearing his very interesting and inspiring talk on the possibilities of art in Texas. He will in all probability be at the head of the proposed Department of Sculpture at the University next year.

Everyone is looking forward with great expectations to the forthcoming spring term exams—and incidentally—summer. Then's when we lose two of our best men—Brothers Mills and Law. Yes, we really hate to see 'em go. We can't imagine how in thunder we'll preserve law and order about the house next year without Joe's helping hand. And Scottish Rite Dorm. and the Baptists will sink into oblivion when the "Doctor" leaves. Joe will be in the so-called "city" of Dallas next year, and Wilton will probably be with his Dad in Beaumont. Best luck to them both.

We've been on the warpath for a shack of some sort to live in next year, but to date we haven't located anything. We're making plans to furnish the thing, if we ever get it.

We had a hot baseball series between the actives and the pledges some ago. Three games were played, all of which were won by the actives, notwithstanding the decisions of the umpire, Bro. White, and the stellar pitching of Bros. Nagle, Jessen, and Abbot.

And speaking of pledges—we put three new fellows thru the new pledging ceremony recently. We think it's a fine thing.

Brother Nagle, after much politicking and blah, was gloriously elected vice-president of the Student Association in the recent spring-term elections on the campus. "Such popularity must be deserved."

And in our own happy home—Bro. Olson has been re-elected W. A.; White, W. A. A.; Hammond, W. C.; Kriegl, W. E.; Mebane, W. S.; and Abbot, W. Supt.

Earl is quite a musician, but is receiving a degree in Architecture at the end of this school year.
