## **Report to the 61<sup>st</sup> National Convention of Alpha Rho Chi Fraternity**

### **Membership**

The Xenocles Alumni Association currently lists 98 members in the “current” database. However, because we have made it a habit to adopt area brothers from all chapter affiliations, our mailing list usually includes 139.

### **Officers**

2007 – 2008 officers are as follows:

Richard Boothman, President

Kyle Horton, Secretary

James Williams, Vice President

Tracy Fetty, Treasurer

### **Financial Information**

The Xenocles Alumni Association continues to run in the black, though only because a few alumni cover necessary expenses at convention-time. But we’re excited about the opportunity to participate in the Grand Council’s alumni dues test program that was proposed to us last fall. It’s difficult for a small alumni association such as ours to invoice for local alumni dues when we don’t have the benefit of an active chapter to keep our membership charged up. We’re facing that old vicious circle all alumni associations without active chapters face, of trying to motivate our membership to help reactivate our chapter, even though there aren’t younger, vibrant members at a chapter to motivate us to action.

### **Future Goals**

We were very disappointed that the colonists at Xenocles were unable to maintain their momentum and reach initiation, so obviously, our primary goal remains the reactivation of our chapter. In the meantime, we will certainly maintain contact through social and professional activities in order to motivate our membership.

Respectfully submitted,

Kyle Horton, Secretary  
Xenocles Alumni Association
