**Title: Status of Alumni Associations**

**Adopted 18 January 2011**

- 1.0 Title: Status of Alumni Associations
- 2.0 Policy:
  - 2.1 Active Alumni Associations are critical to the success of the Fraternity. The Grand Council shall encourage the development of such associations. It is incumbent upon each Alumni Association to remain fiscally responsible to the Fraternity, to remain incorporated in their respective State, and to maintain an active voice in the leadership of the Fraternity. If an Alumni Association fails to be active in the Fraternity, it becomes a burden to the membership. It is then the responsibility of the Grand Council to (temporarily) relieve the Fraternity of that burden.
- 3.0 Purpose:
  - 3.1 The purpose of this procedure is to ensure clear and equitable means by which the Fraternity may determine the status of an Alumni Association.
- 4.0 Scope:
  - 4.1 The scope of this procedure is to establish the criteria by which an Alumni Association is to be declared suspended and the responsibilities of the Grand Council in communicating that action.
- 5.0 Responsibility:
  - 5.1 Grand Council of Alpha Rho Chi
    - 5.1.1 Worthy Grand Estimator: for determination of indebtedness to the Fraternity
    - 5.1.2 National Director: for determination of Alumni Association's Corporate Standing
    - 5.1.3 Worthy Grand Architect: Communication with responsible parties.
  - 5.2 Officers of the Alumni Association

- 8.7 An alert notice may be sent to the Alumni Association when any single of the above criterion has been met. Any officer of the Grand Council, the National Director, or the Regional Director may make such notice.
