

# ALUMNI BULLETIN

FEBRUARY EDITION

## ALUMNI DAYS

The Alumni Directors will be planning Alumni Days in several cities again this year in the locations below. Each one is an opportunity to show off or learn about the city with tours and team-building, conversations about our favorite brotherhood memories, a celebratory dinner to recognize important brothers or fraternity history in your city, and opportunities to build new relationships and resources in each city. We will be posting to Facebook and sending out email as we have more information.

Here are the Alumni Days events that will be occurring this year:

Seattle  
September 2018

Washington DC  
September 2018

Should you like to help plan the event, please email the Alumni Director team at [alumni@alpharhochi.org](mailto:alumni@alpharhochi.org).

## NATIONAL DUES

Alpha Rho Chi depends on alumni dues to the national fraternity to keep our fraternity running. These national dues are separate from any dues that your alumni association may request. While we do not have a set date required for dues, it is suggested that you pay by March 1, 2018.

[www.alpharhochi.org/alumni-dues](http://www.alpharhochi.org/alumni-dues)

## APX RECOGNITION

Do you have an idea for an article in our APX Alumni Spotlight or have a brother recommendation for a fellow alumnus? Contact us at [alumni@alpharhochi.org](mailto:alumni@alpharhochi.org).

## TRAVEL

Are you planning on traveling to a city where you may not know anyone? Don't let that stop you from getting in touch with Alumni! We have many metro groups in major metropolitan cities. Check them out on Facebook and let them know you are traveling to their area: [www.alpharhochi.org/metrogroups](http://www.alpharhochi.org/metrogroups)

## GETTING INVOLVED

We are always looking for Alumni to get involved at any level and for any time commitment, even if two hours a month. If you are interested, please email the Alumni Director team at [alumni@alpharhochi.org](mailto:alumni@alpharhochi.org).

## MEMBER PLANET

Exciting things are coming up with how Alpha Rho Chi will be communicating with our membership. Keep tuned!
